Alexander Howell

Vs

Rachel Gettinger

Civil Action no. _____

Declaration Of Nicholas Ingram

Nicholas Ingram Declares:

I have been incarcerated at Potosi Correctional Center since May -2021. Since the 2nd week of March 2023 I have been housed in housing Unit #1B. I am currently in Cell 1b#18. Alexander Howell has been in cell 1b#17 several days before my residents in Cell 1b#18.

On March 23-23 CCMII Rachel Gettinger made a round

After speaking with Howell she came to my door to speak to me

I made a request to be admitted to the transgender committee

CCMII Gettinger told me, "We know what you're doing. Howell thinks she/he smarter than us trying to buy affirmative gender items from you. She was just reapproved for transgender committee in November. How much is she paying you?"

I replied I don't know what you're talking about. Then requested a IRR

CCMII Gettinger denied me the IRR saying "No you on bullshit" then walked away from my door

Later that day Howell and I broke out in a small dispute over a gay topic and I disclosed to her how CCMII Gettinger said she was reapproved for the transgender committee in Nov.

Howell Continued at the attempt to defend herself and Inform that was a
Partial lie

And then I asked Offender Javantea Jones, aka trey 5, did he hear her and
he said yes.

I and Other Offenders Called Howell names untill eventually She was pulled
Out her Cell to talk to the Sergeant and Nurse

We did make Up

I declare under the penalty of perjury that the foregoing is true and Correct
Executed mineral point, Missouri on march 2023
